Dear Sir or Madam

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES RE-ELECTION OF DIRECTORS AND NOTICE OF ANNUAL GENERAL MEETING

INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM regarding (i) the granting to the Directors of general and unconditional mandates for the issue and repurchase of the securities of the Company; and (ii) the re-election of Directors.

1. GENERAL MANDATE TO ISSUE SHARES

At the AGM, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, grant a general mandate to Directors to allot, issue and deal with Shares up to 10% of the total number of issued Shares at the date of passing the relevant ordinary resolution.

Details of the Share Issue Mandate are set out in Resolution 5 in the notice of the AGM set out on pages 15 to 18 of this circular. The Share Issue Mandate will expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or by law to be held; and (c) the date on which the authority given under the ordinary resolution approving the Share Issue Mandate is revoked or varied by an ordinary resolution of the Shareholders.

2. GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, grant a general mandate to Directors to repurchase Shares of up to 10% of the total number of issued Shares at the date of passing the relevant ordinary resolution.

As at the Latest Practicable Date, the total number of issued Shares was 9,202,164,147 Shares. Assuming that there is no change in the total number of issued Shares between the period from the Latest Practicable Date and the date of passing the resolution approving the Share Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the Share Repurchase Mandate at the date of passing the resolution approving the Share Repurchase Mandate will be 920,216,414 Shares, which represent 10% of the total number of issued Shares at the date of passing the ordinary resolution.

An explanatory statement, giving certain information regarding the Share Repurchase Mandate, is set out in Appendix I to this circular. The Share Repurchase Mandate will expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or by law to be held; and (c) the date on which the authority given under the ordinary resolution approving the Share Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders.

3. RE-ELECTION OF DIRECTORS

In accordance with Article 87 of the Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not greater than one-third) shall retire from office by rotation. Messrs Li Dong Sheng ("Mr Li") and Yang Siu Shun ("Mr Yang") will retire at the AGM and, being eligible, will offer themselves for re-election.

At the time of appointment as independent non-executive Directors, Mr Li and Mr Yang have confirmed their independence with reference to the factors set out in Rule 3.13 of the Listing Rules. They have each submitted to the Stock Exchange a written confirmation concerning their independence to the Company. Mr Li and Mr Yang have confirmed that there is no subsequent change of circumstances which may affect their independence which would require them to inform the Stock Exchange. The Company has received the annual confirmation of independence from each of Mr Li and Mr Yang based on the criteria set out in Rule 3.13 of the Listing Rules.

In determining the proposal to re-elect Mr Li and Mr Yang as independent non-executive Directors, (i) the Nomination Committee of the Company has assessed and reviewed the annual confirmation of independence based on the criteria set out in Rule 3.13 of the Listing Rules provided by Mr Li and Mr Yang and considered that they remain independent; (ii) the Board has assessed and is satisfied with the independence of Mr Li and Mr Yang; (iii) the Nomination Committee of the Company and the Board have reviewed the biographies of Mr Li and Mr Yang and their past performance, and assessed their suitability for re-election based on their reputation for integrity and extensive experience in their respective specialist fields, having regard to the board diversity policy adopted by the Company; and (iv) the Board is satisfied that through exercising the scrutinising and monitoring function of independent non-executive Directors, Mr Li and Mr Yang have provided independent and objective judgement and advice to the Board to safeguard the interests of the Company and the Shareholders as a whole.

Mr Li was appointed as an independent non-executive Director in April 2004 and therefore will have served for more than 9 years as at the date of the AGM. The Nomination Committee of the Company and the Board have reviewed the past performance of Mr Li in discharging his duties as an independent non-executive Director, including but not limited to reviewing the attendance records of meetings of the Board and its committees, and are satisfied that Mr Li has actively participated in meetings, demonstrating the ability to exercise independent judgement and provide a balanced and objective view in relation to the Company's affairs. The Nomination Committee of the Company and the Board are also satisfied that Mr Li meets the independence criteria set out in Rule 3.13 of the Listing Rules and are not aware of any circumstances that are likely to call into question his independence as an independent non-executive Director. Accordingly, the Board is of the view that Mr Li is independent and be recommended for re-election at the AGM.

Mr Li is currently a member of the Nomination Committee and the Remuneration Committee of the Company. His in-depth knowledge in the information technology field enables him to provide valuable perspectives and contributions to the Board. Mr Yang is currently the Chairman of the Audit Committee and a member of the Corporate Governance Committee and the Nomination Committee of the Company. He possesses in-depth knowledge in the areas of audit, finance and accounting which enables him to provide valuable and useful guidance to the Board.

Mr Li and Mr Yang have been continuously demonstrating firm commitments to their various roles. They place great importance on high standards of corporate governance. As members of the Board who possess extensive knowledge and experience, the Board considers that Mr Li's and Mr Yang's professional expertise contributes to the diversity of the Board.

The Board considers that the proposed re-appointment of Mr Li and Mr Yang will bring considerable stability and significant contributions to the Board. Furthermore, in light of the factors mentioned above, the Board believes that they possess the character, integrity, independence and expertise necessary to continue fulfilling their roles as independent non-executive Directors effectively and will continue to bring valuable experience, knowledge and professionalism to the Board. Therefore, the Board recommends Mr Li and Mr Yang for re-election as independent non-executive Directors at the AGM.

Pursuant to the code provision set out in paragraph B.2.3 of Appendix C1 to the Listing Rules, any further appointment of independent non-executive directors serving more than 9 years should be subject to a separate resolution to be approved by shareholders. Accordingly, the re-appointment of Mr Li at the AGM will be subject to a separate resolution to be approved by the Shareholders in accordance with the Listing Rules.

Details of the biography of Mr Li and Mr Yang are set out in Appendix II to this circular.

4. ANNUAL GENERAL MEETING

A notice convening the AGM is set out on pages 15 to 18 of this circular.

The procedures for conducting a poll at the AGM are set out in section 5 below.

A form of proxy for use at the AGM is enclosed, a copy of which can also be downloaded from the website of the Company at www.tencent.com and the website of HKEXnews at www.hkexnews.hk. Whether you are able to attend the AGM or not, you are requested to complete the enclosed form of proxy in accordance with the instructions printed thereon and return the completed form of proxy to the Company's branch share registrar, Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong, as soon as possible, and in any event so that it is received not less than 48 hours before the time appointed for holding of the AGM or any adjournment thereof (as the case may be). Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjourned meeting should you so wish.

Non-registered Shareholders whose Shares are held through Intermediaries will not receive a form of proxy directly from the Company and should consult directly with the Intermediary for any assistance regarding the appointment of proxy.

If Shareholders have any questions relating to the AGM, please contact the Company's branch share registrar as follows:

5. PROCEDURES FOR POLL VOTING

Pursuant to Rule 13.39(4) of the Listing Rules, at any general meeting, a resolution put to the vote of Shareholders shall be taken by poll except where the chairman of the AGM, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands.

Detailed procedures for conducting a poll are set out below and will also be explained at the commencement of the AGM.

The chairman of the AGM will exercise his right under Article 66 of the Articles of Association to demand for poll voting on all the resolutions as set out in the notice of the AGM.

For poll voting, every Shareholder present in person or by proxy or, in case of a corporate Shareholder, by its duly authorised representative shall have one vote for every fully paid Share in accordance with Article 66 of the Articles of Association.

Every Shareholder present in person or by proxy or, in case of a corporate Shareholder, by its duly authorised representative who is entitled to more than one vote need not use all his/her/its votes or cast all his/her/its votes in the same way. That means he/she/it can cast some of his/her/its votes in favour of the resolution and some of his/her/its votes against the resolution.

The branch share registrar of the Company will act as the scrutineer for the poll voting. The scrutineer will distribute a voting slip to every Shareholder in person or a proxy or duly authorised representative of a corporate Shareholder on registration of attendance at the AGM.

The chairman of the AGM will arrange for all the resolutions to be proposed and seconded first and then conduct the voting by poll on each of the resolutions at the end of the AGM.

After completion of the voting slips by the Shareholders, the scrutineer will collect the completed voting slips and then count the votes.

The results of the poll on all the resolutions as set out in the notice of the AGM in both English and Chinese will be published on the website of the Company at www.tencent.com and the website of HKEXnews at www.hkexnews.hk later on the date of the AGM.

6. RECOMMENDATION

The Directors (including independent non-executive Directors) are of the opinion that all the proposed resolutions are in the interests of the Company and the Shareholders as a whole and so recommend you to vote in favour of all the resolutions to be proposed at the AGM.

Yours faithfully

Ma Huateng

Chairman

APPENDIX I EXPLANATORY STATEMENT FOR THE SHARE REPURCHASE MANDATE

This explanatory statement includes information required under Rule 10.06(1)(b) of the Listing Rules to be given to the Shareholders in connection with the proposed Share Repurchase Mandate.

(a) Listing Rules

The Listing Rules permit a company with a primary listing on the Stock Exchange to repurchase its fully-paid up shares on the Stock Exchange subject to certain restrictions.

(b) Shareholders' Approval

The Listing Rules provide that all on-market share repurchases by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by specific approval of a particular transaction or by a general mandate to the directors of the company to make such repurchases.

(c) Exercise of the Share Repurchase Mandate

As at the Latest Practicable Date, there were 9,202,164,147 Shares in issue. Subject to the passing of the ordinary resolution approving the Share Repurchase Mandate and on the basis that no further Shares are issued and no Shares are repurchased prior to the AGM, the Directors would be authorised under the Share Repurchase Mandate to repurchase (through the Company or any of its subsidiaries) a maximum of 920,216,414 Shares, which represent 10% of the total number of issued Shares at the date of passing the ordinary resolution.

(d) Reasons for the Repurchase of Shares

The Directors believe that the Share Repurchase Mandate is in the best interests of the Company and the Shareholders. Repurchases of Shares may, depending on the circumstances, result in an increase in net assets and/or earnings per Share. The Directors are seeking the grant of a general mandate to repurchase Shares to give the Company flexibility to do so if and when appropriate. The timing and the number(s), the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then prevailing.

(e) Source of Funds

Repurchases of Shares must be made out of funds which are legally available for such purpose in accordance with all applicable laws of the Cayman Islands and the Memorandum and Articles of Association. It is envisaged that the funds required for any repurchase would be derived from the distributable profits of the Company.

There could be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2024) in the event that the proposed Share repurchases were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or its gearing level.

(f) Share Prices

The highest and lowest prices at which the Shares had been traded on the Stock Exchange in each of the past twelve months to the Latest Practicable Date were as follows:

	Share Prices	(per Share)
	Highest	Lowest
	HK\$	HK\$
2024		
April	354.80	297.80
May	401.00	345.40
June	392.00	366.60
July	397.20	351.00
August	385.60	349.00
September	457.40	365.00
October	482.40	404.60
November	436.00	392.00
December	431.00	394.40
2025		
January	425.00	364.80
February	522.00	394.20
March	547.00	473.20
April (up to the Latest Practicable Date)	511.50	500.00

(g) General

The Directors, so far as the same may be applicable, will exercise the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands. The Directors confirmed that neither this explanatory statement nor the Share Repurchase Mandate has any unusual features. The Directors have also confirmed not to repurchase any Shares if there is less than a minimum of 25% of the total number of issued Shares in public hands.

The Company intends to cancel all the repurchased Shares following the settlement of any such repurchase.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, currently intends to sell the Shares to the Company in the event that the Share Repurchase Mandate is approved by the Shareholders.

No core connected person has notified the Company that he has a present intention to sell the Shares to the Company, or has undertaken not to do so in the event that the Company is authorised to make repurchases of Shares.

(h) Takeovers Code

If as a result of a Share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could result in a change of control, and may in certain circumstances give rise to an obligation to make a mandatory offer for the Shares under Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which may arise under the Takeovers Code if the Share Repurchase Mandate is exercised.

(i) Shares Purchased by the Company

In the six months immediately preceding the Latest Practicable Date, the Company has purchased a total of 101,586,100 Shares on the Stock Exchange, details of which are as follows:
